March is DIY Month!

The logo features the letters 'DIY' in a large, white, stylized font with a grid-like pattern inside the 'D'. Below 'DIY' is the word 'Learn' in a white, sans-serif font. The entire logo is set against a solid red rectangular background.

Give back to your community, share your passions and help us make this the best little town in West Michigan!

You know that we love to make things and to teach you to make them too! Well here's your chance to get involved! We are looking for you.

This summer we would love to have a whole month of DIY programs that are lead by you. Let us know what your passion is. Would you like to give a talk on bee keeping, do a discussion on the best gardening ideas for the area, or maybe give us a demo on the best way to butcher a chicken?

We are interested in a wide variety of programs for every and any age group. So come with your ideas, send them on Facebook in a message, email me (hopkinslibrary@hotmail.com) or give the library a call 269-793-7516.

We can't wait to hear from you!

Did you know we are always interested in what you want to learn? Let us know! We want to schedule classes and buy materials that you want to use.
